

Your Guide

Famous Dutch people guiding the user through a small collection of films. Each guide represents a theme, e.g. film history, action, comedy, etc.

Quiz

A quiz with four different difficulty levels. Each difficulty level has six questions about film and film history.

Search

Possibility to do a targeted search through Eye's database. This functionality is intended for the returning user, who knows what he is looking for.

Surprise Me

Asks the user four times to choose between four words. On the basis of these decisions it makes a selection of films.

Film / film studio / actor / producer overview

Overview of a film, a film studio, an actor or a producer. Shows relevant information and enables the user to quickly jump to another relevant item. A movie gives the user also the possibility to watch it or to watch only a fragment.
